CALIFORNIA LICENSED MIDWIFE ANNUAL REPORT
Midwifery – No Services Provided
2008

Complete this document to respond to the midwifery annual reporting requirement when you, or any student midwife supervised by you, do not perform midwife services for the calendar year of data being reported and then submit it to the Office of Statewide Health Planning and Development (OSHDP).

If you or a student supervised by you did perform midwife services for the calendar year of data being reported, go to the report and complete in its entirety and then submit it to OSHDP. In turn, you will not need to send in this document to OSHDP.
